- **SILVER ALERT WEBSITE:** www.floridasilveralert.com

- **ORLANDO HEALTH MEMORY DISORDER CENTER:**
As one of 15 State designated memory disorder clinics in Florida, our primary role is the clinical diagnosis and treatment of neurodegenerative diseases like Alzheimer's & Related Dementias. As a part of our program, we also work with the State of Florida and the Florida Silver Alert program to strengthen the safety net for cognitively impaired seniors who wander in their vehicles.

- **INFORMATION ABOUT ALTERNATIVE TRANSPORTATION:**
The following website is a helpful tool for identifying alternative transportation resources in communities throughout Florida. Go to this link, and then click on a link on the left side of the page called "Alternative Transportation" to learn about transportation options in your area. In addition, there is a wealth of other useful information on this website: www.safeandmobileseniors.org.

- **THE HARTFORD AUTO INSURANCE WEB-SITE ON DRIVING AND AGING** is also a tremendous resource:
